<div align="center">eHealth Committees

Talking Points for Interested Stakeholders/Volunteers</div>

eHealth Committees:

- <u>Co-Chair</u>: Each Committee will be co-chaired by a *private sector individual* (eHealth Board member if possible) and a *public sector individual.*

- <u>Membership</u>: Committee membership will be on a *volunteer basis. Members can participate when they are able.*

- <u>Convening</u>: Committees will be convened on an *as needed, just-in-time basis* for the purpose of accomplishing *specific work assignments*. Meetings may be convened in-person and/or via teleconference.

- <u>Work Assignments</u>: Work assignments in the next year are likely to be related to work on HIT adoption, the state-level HIE planning and design project, privacy, and stakeholder education/engagement.

eHealth Interest Areas:

- Clinical Care
- Public Health
- Quality and Safety
- Health Technology
- Security and Privacy
- Communications, Education, and Marketing
- State-Level Governance and Finance
